Mr. R. S. Wellman,

Hornitos, Mariposa Co., Calif.

My dear Mr. Wellman:

I am very glad to have your note of the 8th. By it I see the grizzly story is still on your mind and I hope it will remain so until you get it written down and forwarded. I want to get the facts for filing in the University records.

Yes, it seems quite certain that we have the hide of the very bear that you saw the last of. Please tell me all about the circumstances.

Very truly yours,

*J. Grinnell*
