MATERIAL (As appropriate, state catalog numbers, name, locality, collector, etc.)

(continued from previous page)

Purpose: Use in Spring 2014 Winter Ecology course labs (EBIO 4100)

Location: teaching lab at University of Colorado Mountain Research Station, Nederland, CO

Study skins, especially around the neck area are extremely fragile. Handle and move specimens with special care. Keep them in a locked, pest-free area while not in use.
