This loan contains 2 parts; you can manage everything here.

Remove ALL PARTS from the loan. This form will NOT work with any "on loan" parts; use the disposition-updater first.

Sure?

Subsamples

Change disposition to: when disposition is for all items in this loan, including those not shown on this page.

"Barcode" is the barcode of the container holding the part, or when enclosed in square brackets the barcode of the container holding the part from which the loaned part was subsampled.
